

Parent-Infant Massage Training

Learn massage strokes for your baby 6 months & under.

Benefits for Baby

- Learn to read your baby's nonverbal cues
- Assist with sleep and calming
- Help with tummy troubles
- Promote relaxation for both baby and parent

Most of all, infant massage is a wonderful opportunity to spend quality, focused time with your infant. It is a great way for fathers to get involved and best of all, it's FUN & FREE!
