The Purpose and Philosophy of the Navy-Marine Corps Relief Society

The Navy-Marine Corps Relief Society provides financial assistance and education, as well as other programs and services, to members, widows, and survivors. The Society also receives and manages donated funds to administer these programs and services.

Their main goal is to help each person who comes to them to get support for their immediate needs. Their long-term mission is to help Sailors and Marines become financially self-sufficient by learning how to better manage their personal finances and prepare for unplanned expenses.
