TELADOC

Welcome to Teladoc
**24/7 access to a doctor
by phone or video**

Take a doctor with you
anywhere you go.

[PRINT ID CARDS](#)

You now have **24/7/365 access to a doctor** anytime, anywhere via phone or video. Set up your account today, so you can feel better and avoid the hassles of an urgent care center or hospital waiting room. For your convenience, we have included a new printable ID card.

Consults are:

\$10

Less than an Urgent Care or ER visit, Teladoc's never more than a doctor visit.

Be ready. Set up your account today.

1. Print your ID card

Print your Teladoc ID card online and carry a doctor with you anywhere you go.

2. Set up your account

Visit Teladoc.com and click "Set up account".

3. Request a consult

A Teladoc doctor is always just a call or click away. Visit Teladoc.com or call 1-800-Teladoc (835-2362).

Anytime, anywhere

Teladoc is a convenient and affordable option that allows you to talk to a doctor who can recommend treatment and prescribe medication, when appropriate, through phone or video consults.

Dallas, TX 75244

© 2015 Teladoc, Inc. All rights reserved. Teladoc and the Teladoc logo are trademarks of Teladoc, Inc. and may not be used without written permission.

Teladoc is being provided as a pilot program to fully-insured Aetna members and members of plans administered by Aetna. It is not available in all States. It is also provided to self-insured Aetna members and members of plans administered by Aetna whose employer has elected to offer the program to their employees. Teladoc and Teladoc physicians are independent contractors and are neither agents nor employees of Aetna or plans administered by Aetna. Teladoc does not replace the primary care physician. Prescriptions may only be written by a Teladoc physician if medically appropriate. Teladoc operates subject to state regulation and may not be available in certain states. Teladoc does not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. Teladoc physicians reserve the right to deny care for potential misuse of services.
